## SPOTLIGHT

**We are now in our new home at the Irvine Station!**

**[15207 Barranca Parkway, Irvine, CA](#)**

### **How to Locate Us**

Locate us at the Irvine Station. Look for the **Clock Tower** on the corner of Ada and Barranca. As soon as you turn onto Ada, look for the **OLLI at UCI sign** on your right - before the stop sign, and next to the **Station Café**. And, when class is in session, you'll recognize us when you see our 6' **OLLI banner** in front of our entrance on Ada. One more way to find us - we're next to the **Station Café**.

**OLLI's new banner, donated by Kristin and Gary Oberts, marks the entrance to our new site. Look for it on the sidewalk as you turn on Ada.**

### **Visit our Move Web Site**

Click [here](#) to visit our move website and see what has been accomplished.

Our front door faces Ada on the first floor of the parking structure, next to the newly named **Station Café**. *The entrance door is 15209 Barranca; the double doors (15207) to the classroom are a fire exit only.*

### **GPS**

If your car has a **GPS**, we suggest using the [Irvine Station address](#) to locate us because our new address is so new that it may not be in your system yet.

**Free Parking**, on all floors of the structure. There is plenty of parking, especially on levels 3 and 4, with *elevators situated at the north end and middle of each floor.*

## **THE BOARD'S CORNER**

We really are in our new home and many thanks to the myriad of

members who helped make the move possible. Spearheading the move with her financial know-how, Treasurer Sherri Nussbaum and STEM Chair Marc Nussbaum have put hours into planning, ordering and installing equipment, as well as literally moving furniture and boxes. Many others came in to help with the details. Among them, Leah Jordan oversaw the packing and unpacking, and Al Glasky installed the butterfly wall.

Somehow through the chaos, Karen McKenzie and Barbara Barone, OLLI's office managers, kept enrollment moving ahead and answered a never-ending stream of phone calls while packing and unpacking their desks at each phase of the move. UCI has given us many pieces of equipment, and their support teams have us up and running even though they had to manage their own massive move. Our thanks to all.

Please note the practical suggestions in Spotlight for finding us as well as locating a parking space with easy access to an elevator. The third and fourth floors are usually much emptier than the lower two. Finally, we have one ADA approved rest room by the office for those who really need easy access, but less than a minute away, and fewer steps than from the parking lot to the Woodbridge classroom - yes, we have timed it and used a pedometer - are the station restrooms. They are four times the size of our previous ones and think of the fresh air you get with the walk!

Welcome to our new home and suggest you give yourself a few extra minutes to get there for your first classes.

Pat Linehan, President, OLLI at UCI

## **INQUIRING MINDS**

### **Critical Eye: Movie Reviews**

#### *DON'T THINK TWICE*

Don't overlook this charming, very original film about an Improv-Group struggling to be successful in New York and succeed as adults. Yes, in a sense it's a coming of age story. It's fresh, appealing and *funny*. You will recognize some of the actors as well as the writer, Mike Birbiglia, and certainly a co-producer, Ira

Glass. This is a true Independent feature – fresh, crisp, not at all slick. And did I mention *funny*?

#### *FLORENCE FOSTER JENKINS*

Yes, that is the name of the movie and – surprise - the real person it is titled for. The film is touchingly funny, entertaining and beautifully cast. It is a movie-goers movie!

Jessie Tromberg [jzt1@cox.net](mailto:jzt1@cox.net)

### **An OLLI Member Book Release:**

**STEM Chair Marc Nussbaum's *Total Solar Eclipse 2017: Your Guide to the Next U.S. Eclipse*.** Available on Amazon.com. [CLICK HERE](#)

The first U.S. coast-to-coast total solar eclipse in 99 years will occur August 21, 2017 and is described with over 70 high quality photos, diagrams, maps, and tables, along with simple explanations as to how it all works.

OLLI Outlook welcomes member reviews--film, book, theater, exhibits--and will publish when space permits. See contact information for submission directions.

## Library News - especially for our new members!

Check out our new OLLI library location! It is on the side of the classroom wall and is expanded with new bookcases. Now is your opportunity to help fill up the shelves and share with other OLLI students. The library is looking for donations of materials relevant to OLLI classes and interests.

One member just donated the Oliver Sack's *Musicophilia*, an analysis of music and the brain (OLLI offered "Science Faces the Music: What are the Sounds That Make Up Music" in the fall of 2015) and an active OLLI couple donated a CD and visitor's guide to the Griffith Observatory (OLLI offered as a special event "Griffith Observatory: Center of the Universe" in Spring 2016). Bring your donations to the OLLI office so I can pick them up and put them in the library holdings list.
