PRESIDENT'S MESSAGE

The 2022 Fall Semester is about to launch!

For new members, there is an Orientation on September 12 at 10 AM. See details nearby and RSVP at olli@uci.edu.

Welcome to DCE's new Dean, Kristine Collins. Since January 2022, Dean Collins served as Vice President of University Partnerships at Circuit Stream Inc., a virtual-reality education startup focused on delivering online courses in partnership with North American universities. From 2015 to 2022, she held a range of

administrative management roles at the University of Toronto School of Continuing Studies.

"Life and work have fundamentally changed in the past two years, and there are meaningful opportunities for continuing education to help shape how we move forward," Collins said. "I am thrilled to work with the talented team at DCE and to partner with the UCI faculty to provide innovative programs that advance professional skills and knowledge required for the future."

We are looking forward to our new collaboration.

In July we sent out a survey to current members to help in our strategic planning process. At the end of the survey, we asked for any additional comments responders would like to make. I would like to share one in particular with you. This anonymous member said "I have been ill for more than a year. I don't know if or when I will be able to resume my former level of activity. OLLI has enriched my life for more than a decade. I am beyond grateful for what I have learned, who I have met, and for the friendships OLLI has brought into my life!"

We are grateful for your participation!

Stay curious!

President, OLLI at UCI

The Lost City

PG-13
2022

For purely goofball (mild) entertainment, try The Lost City, starring Sandra Bullock and Channing Tatum in a spoof on romance.

It's fun!

Licorice Pizza

R
2021

Check out Licorice Pizza on Amazon Prime. Paul Thomas Anderson has re-created life in 1973 hitting unusual highlights.

What's licorice pizza? Why it's a black vinyl record!

From water beds to pinball machines to the real politics of a California political campaign, to gas shortages, our entrepreneurial teenagers in the film literally run from event to event meeting famous personalities of the era, all played by, yes, famous personalities.

Sean Pen, Bradley Cooper, Tom Waits, and Anderson have crafted this film from personal memories. It is oddly enchanting.
